Overview

In this apprenticeship you'll learn to become responsible for planning, executing, and overseeing projects to ensure they are completed on time and on budget. You'll become able to coordinate teams, manage resources, and handle communication with stakeholders, guiding projects from start to finish to achieve specific goals and deliver value.

Key skills you'll develop:

- Effective Planning and Organisation
- Stakeholder Communication
- Risk Management
- Leadership and Team Collaboration
- Budgeting and Financial Management
- Problem Solving and Decision Making

How will this be delivered?

This apprenticeship is delivered through a combination of work-based learning, online training sessions or face to face sessions. You will build a portfolio of work that you have created to evidence your skills. When ready to finish your apprenticeship, you will undertake an end point assessment – but don't worry you will have plenty of support to prepare for this.
