Operations Manager

Level 5 Apprenticeship

Overview

As an Operations Manager apprentice you'll learn to oversee the daily operations of a business, ensuring efficiency, productivity, and alignment with company goals. You'll understand how to manage resources, optimise processes, and lead teams to deliver high-quality results while meeting deadlines and budgets.

Key skills you'll develop:

- Strategic Planning and Goal Setting
- Process Improvement and Workflow Optimisation
- Resource Management and Allocation
- Leadership and Team Development
- Financial Planning and Budget Management
- Risk Assessment and Problem-Solving
- Data Analysis and Decision-Making
- Communication and Stakeholder Management

How will this be delivered?

This apprenticeship is delivered through a combination of work-based learning, online training sessions or face to face sessions. You will build a portfolio of work that you have created to evidence your skills. When ready to finish your apprenticeship, you will undertake an end point assessment – but don't worry you will have plenty of support to prepare for this.
